Dedication

Dr. John Henry Pinson, II

Dr. John was the team physician for the Dragons for many years. He was *always* available — night or day — to meet the needs of our athletes.

Dr. John was a man of courage; he was a quiet but a firm man. He was a gentle man. He was a kind man who leaves us with a beautiful memory. He was our friend.

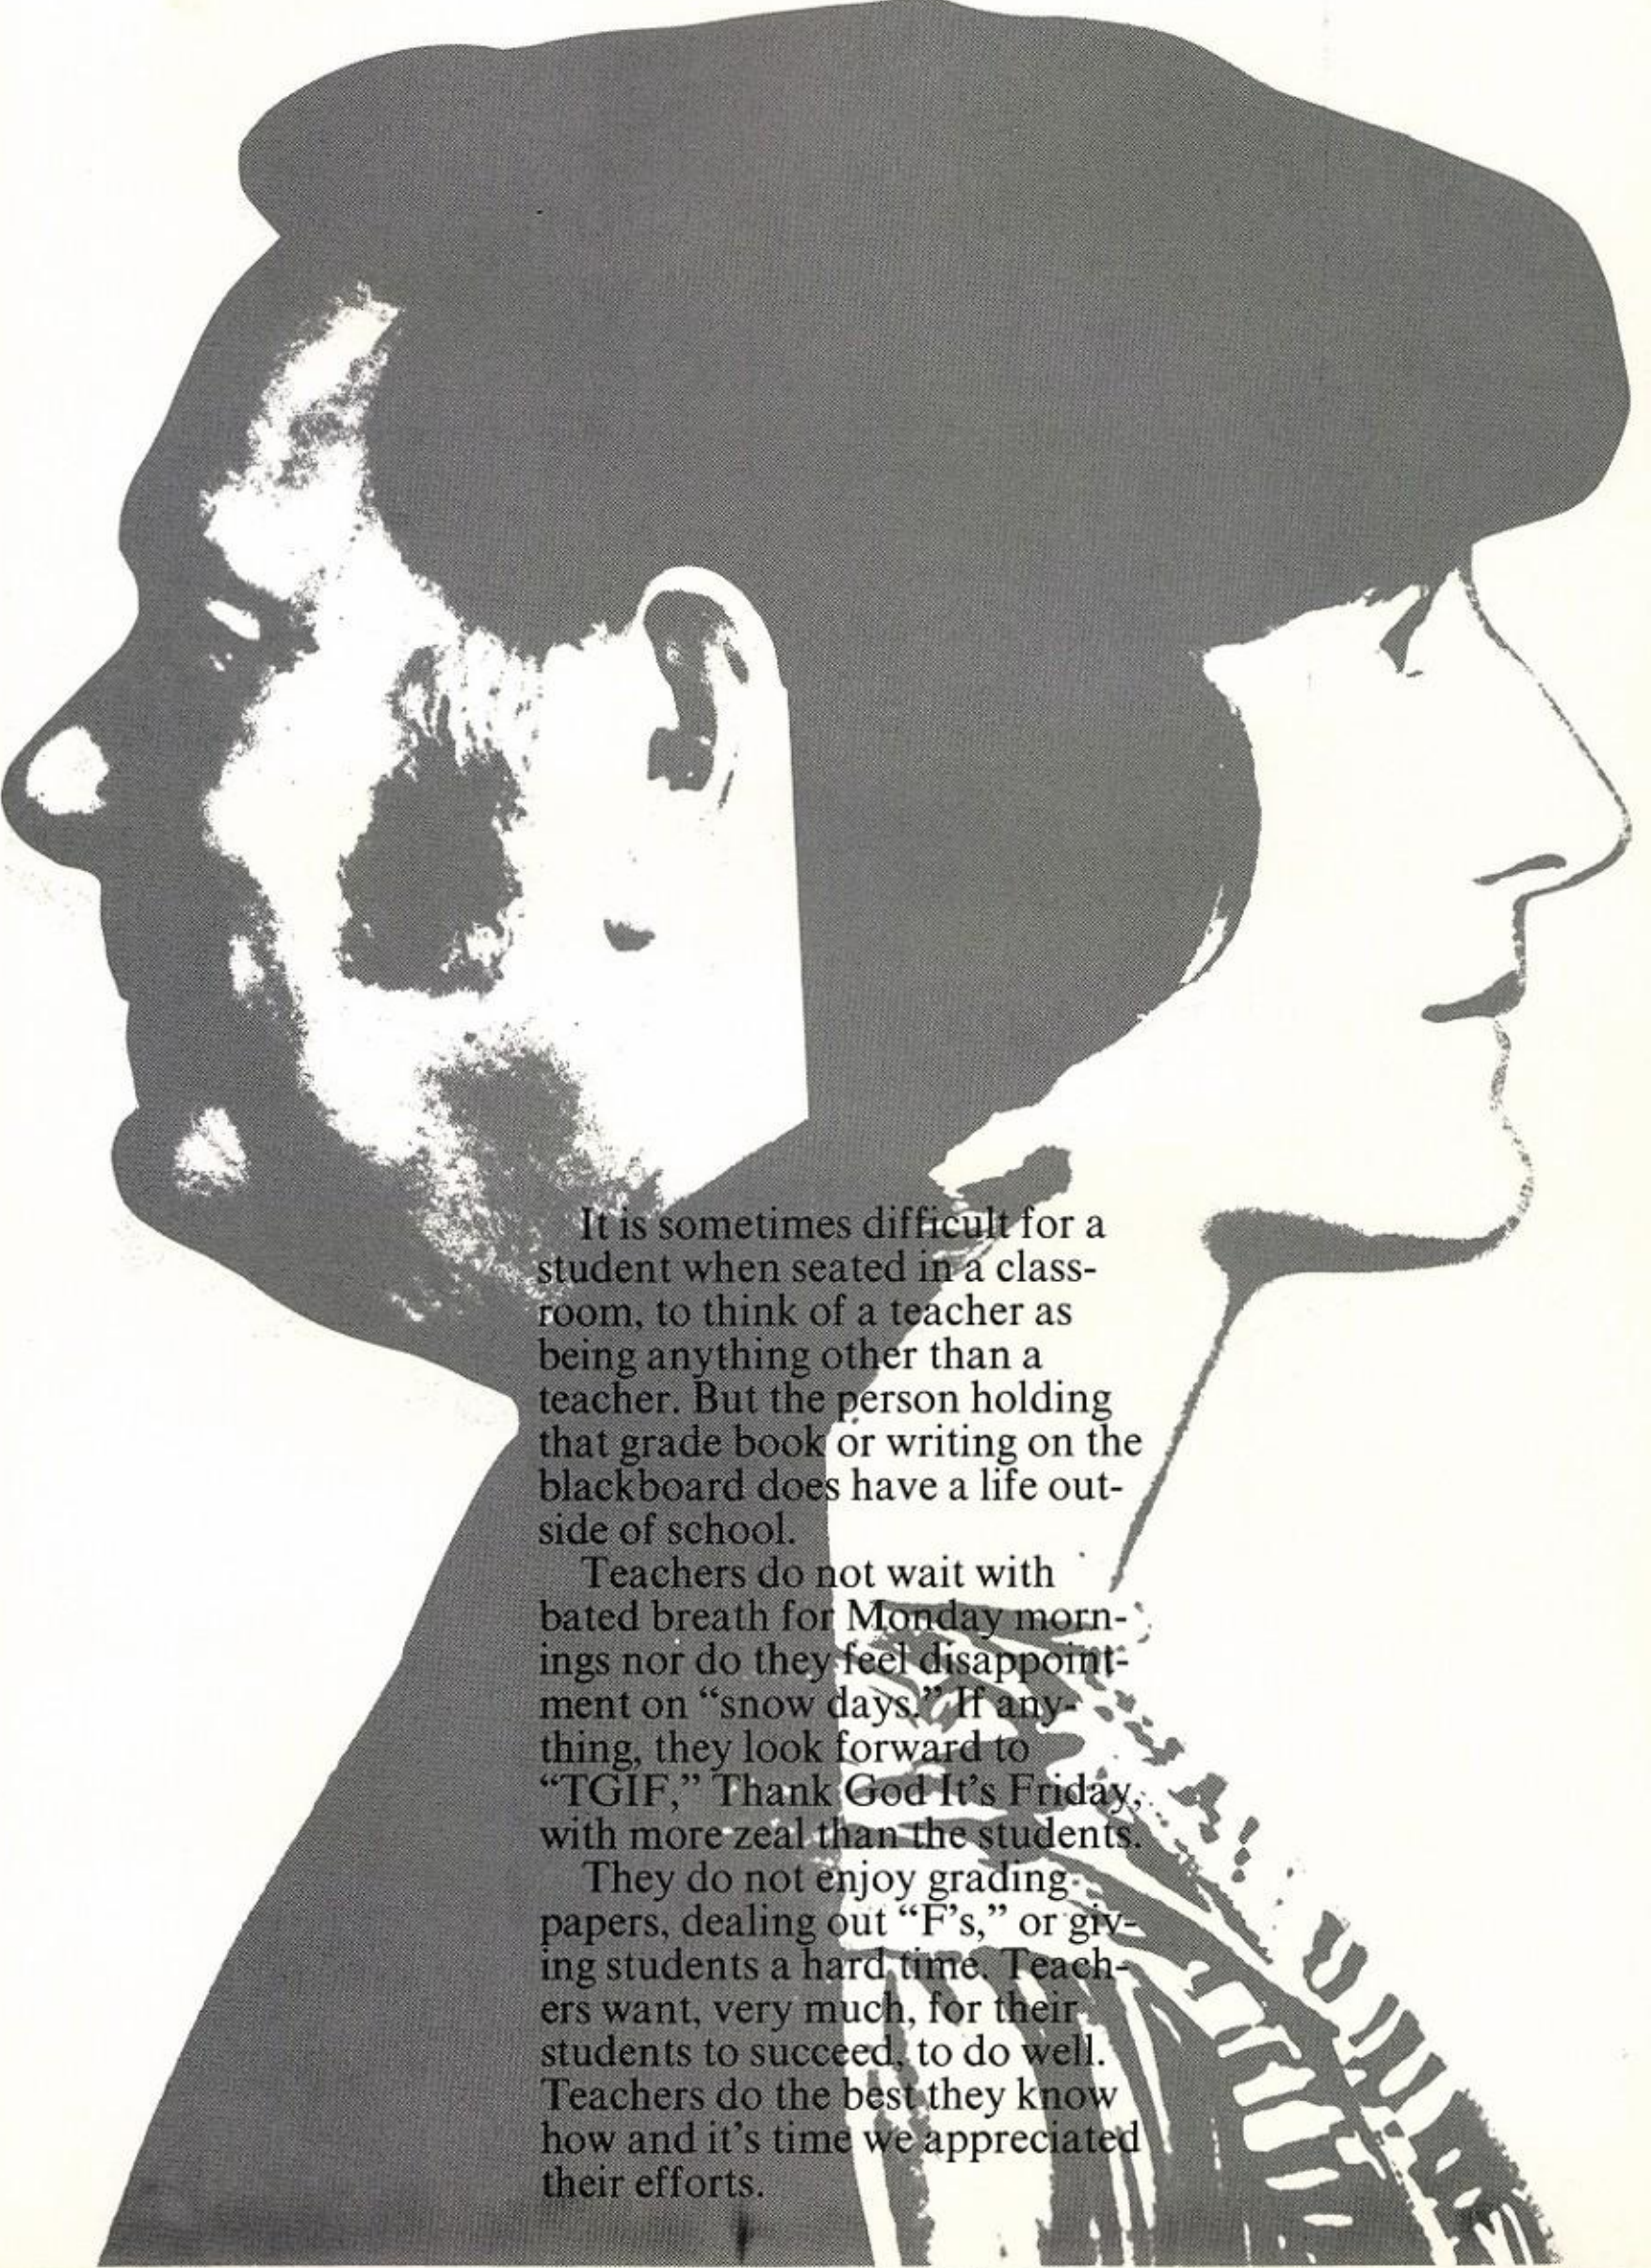

The 1979 Annual Staff, Athletes and Coaches, dedicate this issue of the Dragon Annual to the memory of *Dr. John Henry Pinson, II*.

In Memory of

Travis Lee

Born: July 16, 1968 and drowned July 8, 1978. He was a third grader and the son of Mr. and Mrs. Jerry Lee.

It is sometimes difficult for a student when seated in a classroom, to think of a teacher as being anything other than a teacher. But the person holding that grade book or writing on the blackboard does have a life outside of school.

Teachers do not wait with bated breath for Monday mornings nor do they feel disappointment on "snow days." If anything, they look forward to "TGIF," Thank God It's Friday, with more zeal than the students.

They do not enjoy grading papers, dealing out "F's," or giving students a hard time. Teachers want, very much, for their students to succeed, to do well. Teachers do the best they know how and it's time we appreciated their efforts.

Mr. R. L. Bolen

Seniors' Last Days at Ole J.C.

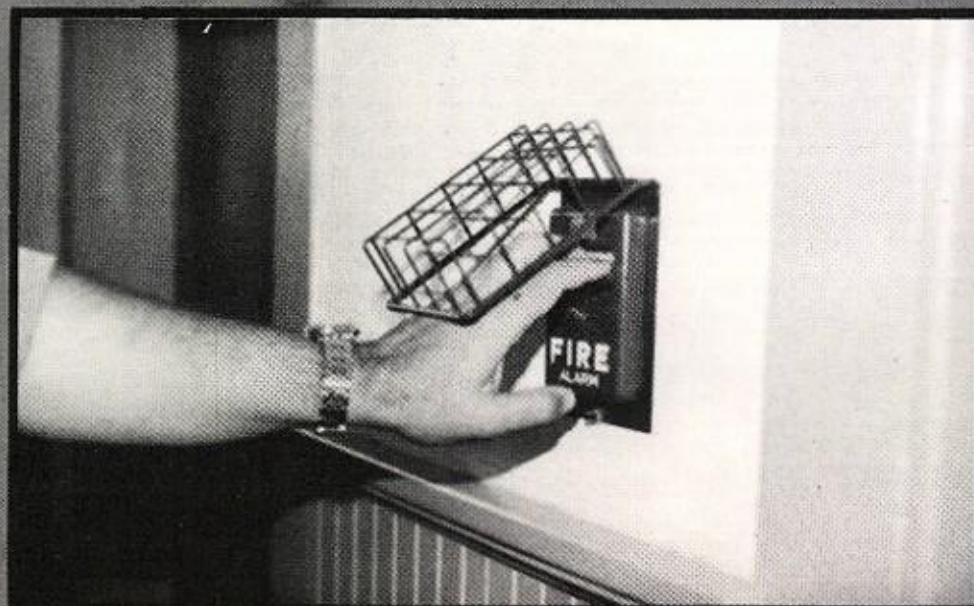

Being a "Senior" means a lot of things . . . especially at Junction City!! It means class ring, graduation, and lots of memories. But more important, being a senior means that it's finally the end of the beginning.

Being a Senior means . . . buying your cap and gown

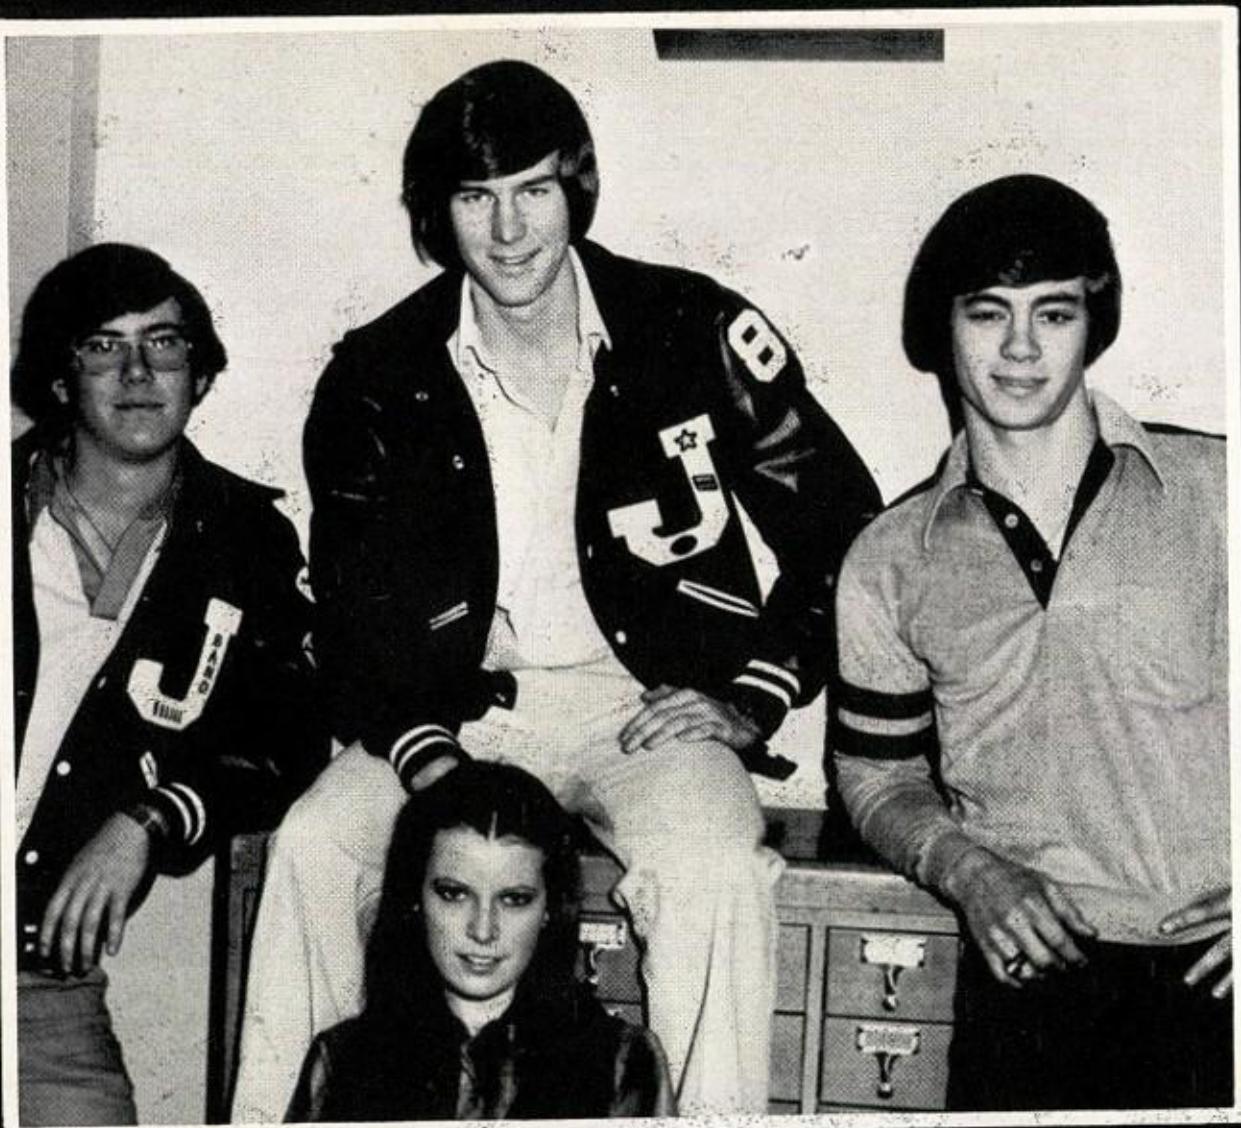

Being a Senior means . . . getting the faculty to sign your book

And it always means pulling the alarm

- 1) Although he never has a thing to do on any other day, David always seems to have a few pages to finish on deadline day; and Wanda always comes to the rescue.
- 2) Mr. Griffin would be proud if he knew how much Sherry and Ginger studied American History during Annual Staff period.
- 3) Jennifer spends her spare time wisely — reading up on something that makes her smile.
- 4) Once again, Becky asks Sandra, "Did you understand that joke Mr. Hux just told?"
- 5) You have to be on the Annual Staff to appreciate this picture . . .
- 6) . . . and everyone knows about the "stars" of 1979. Need I say more?
- 7) Practically any day you come into the Annual Staff room, you will see Debbie and her beloved pictures.
- 8) Occasionally, Liz likes a couple of typed words with her liquid paper.
- 9) The only male member of the Annual Staff, David, keeps all of the girls entertained. Debbie, Brenda, and Tonya seem to enjoy it.
- 10) "The Boss" is always 100% — but 100% what?
- 11) Our ever-smiling editor, Wanda, keeps the annual staff going — and the donuts coming in . . .
- 12) Mikki "Dear Abby" Owens always seems to be able to help Ginger with her many heart-breaking problems.
- 13) Co-editors Kim and Becky set good examples for the younger members by eating (occasionally) in the closet.

LEARNING TO RUN

Nicknamed the "eighteen wheelers" the mighty Dragon football team looked forward in the beginning to a fairly good season. The El Dorado *News-Times* had picked them to be third in district 7AA-East behind Stamps and Hampton respectively. With the schedule set to give the team four non-conference games and two open dates before a district game had to be faced, they just knew they had it made. There was just one strike against them, a lack of experience. Later, this strike proved to be fatal.

When a huge crowd showed up at the first game against Norphlet, the Dragons showed their appreciation with an early touchdown. This must have pleased the fans because they continued to show up game after game. The added support was another plus in favor of the "eighteen wheelers."

Even after the first two games, where experience got the best of them and the Leopards and Bernice both took a win, the team morale stayed high. It was as if the team knew that the next few weeks would be full of wins.

A trip south to Cotton Valley started the streak when the Dragons topped the Wildcats 19-6. During the next two weeks of open dates the B-team acquired a 3-0 record to retire undefeated for their season.

Then came Homecoming, the most festive game of the season. Coach Patterson remarked that: a good pep rally + a parade + a pretty queen + a great team effort = a win . . . and it did!!!

Now the district games had to be played. First up was Hermitage. Though they played hard, the Dragons had too many lonesome ends and no score. Lack of experience again proved to be a major factor when the Smackover Bucks came to Dragon country. The second district game had been faced, but lost.

Next came Stamps, a team that put fear in the hearts of many 7AA-East teams. Their impressive record didn't scare the Dragon, however, and the yellowjackets really knew they were there. Coach Patterson commented that the Stamps game was the best played by many of the players and that the team as a whole showed great effort.

A 28-13 victory over Hampton ended the year on a 'good note' and netted a three-way tie for third place in conference play for the Dragon squad.

As a baby needs to learn how to crawl before it can walk and to walk before it can run, the Dragon team needed the experience it gained this year before greater things can be tried for in the years to come.

Tackle Russell Hux muscles in to help Tailback Eddie Malone.

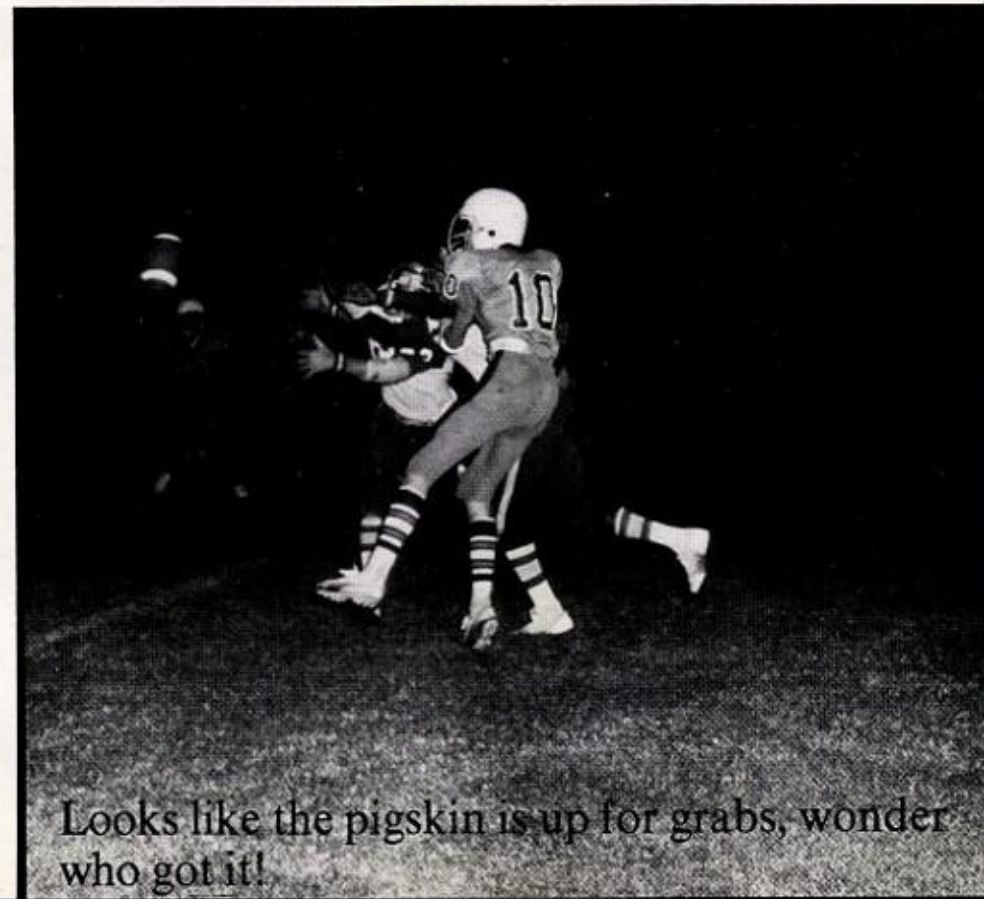

Warily eyeing an enemy, Wingback Donnie Robinson dodges for yardage.

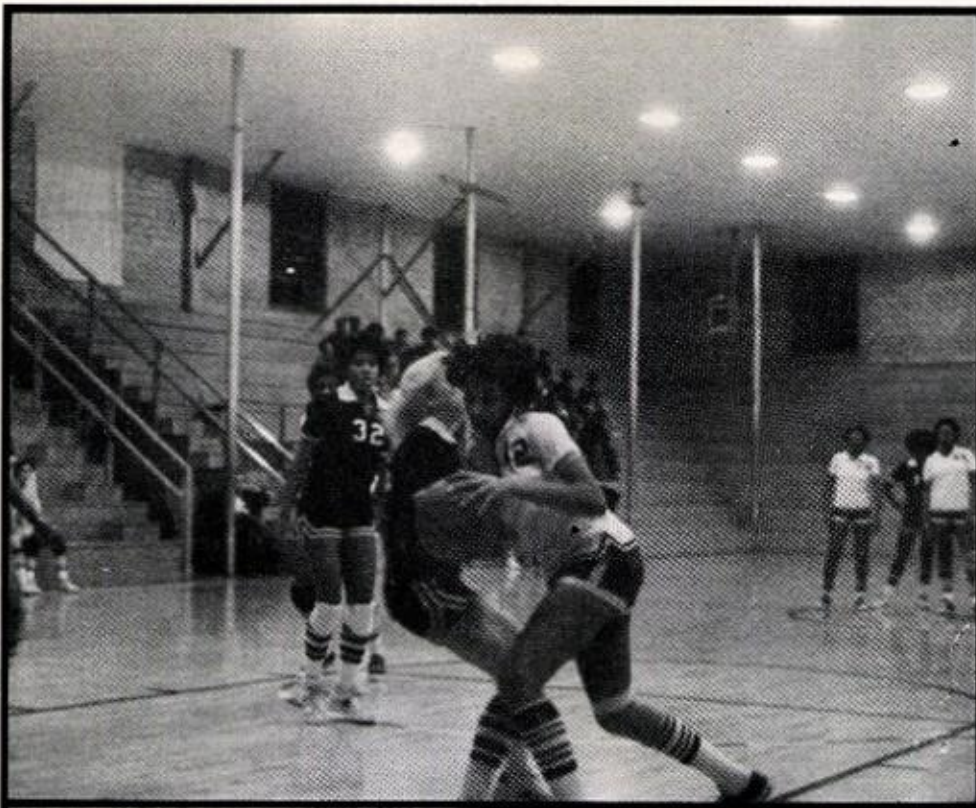

The light of victory (or the glare of defeat) shines over our mighty team.

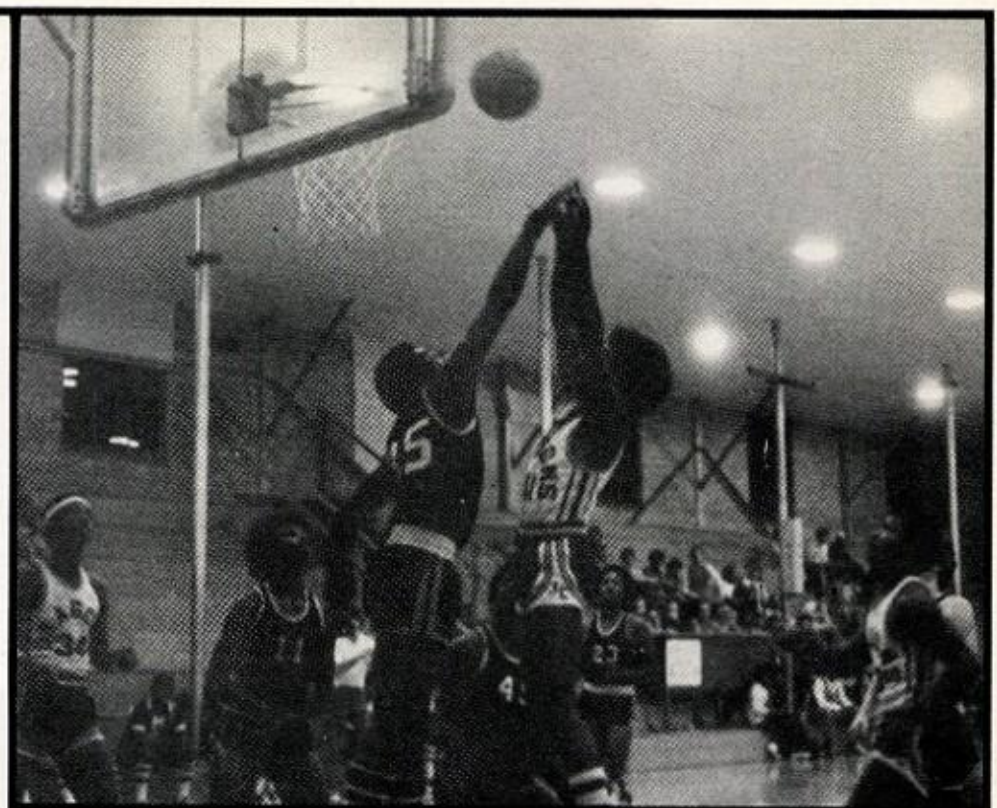

With a smile on his face, Eddie Malone runs in for a score.

Looks like the pigskin is up for grabs, wonder who got it!

Forward, Regina Barnes, muscles past an opposing guard.

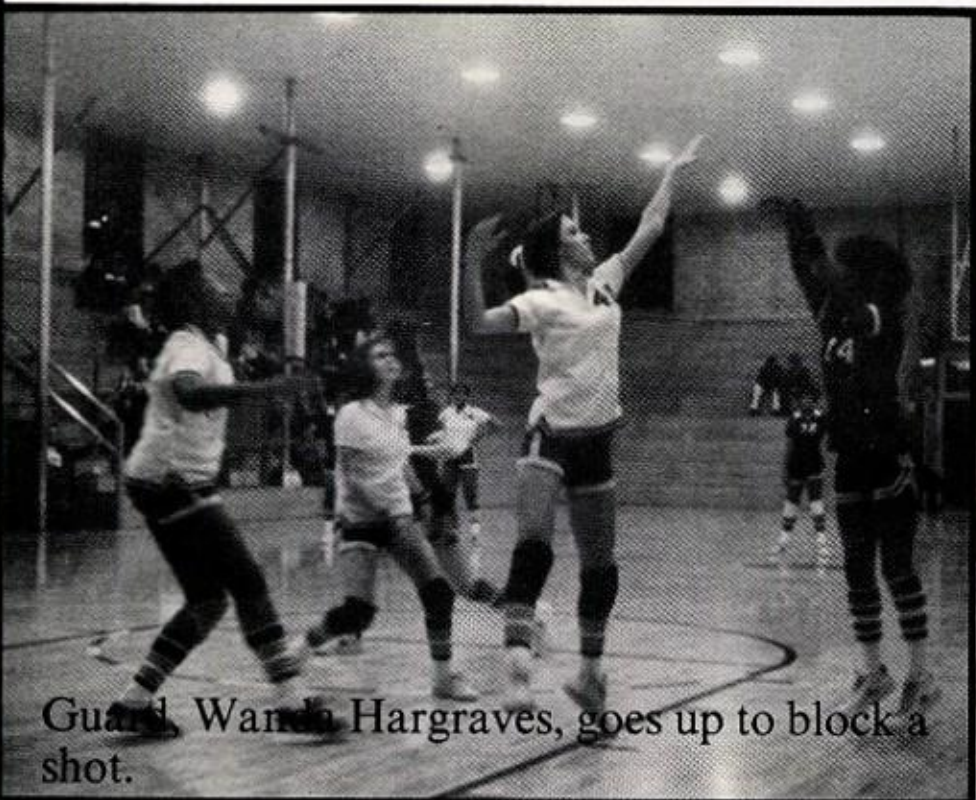

Franklin Davis gets the ball off in the nick of time.

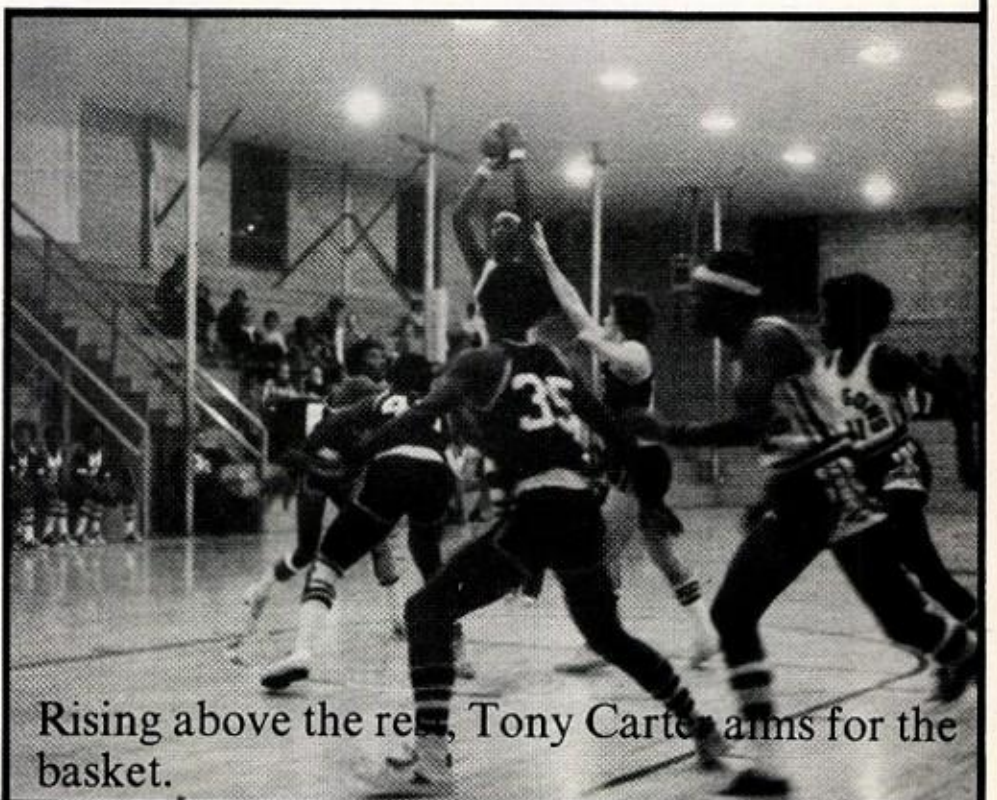

Joe Waller makes a one-handed attempt at a goal.

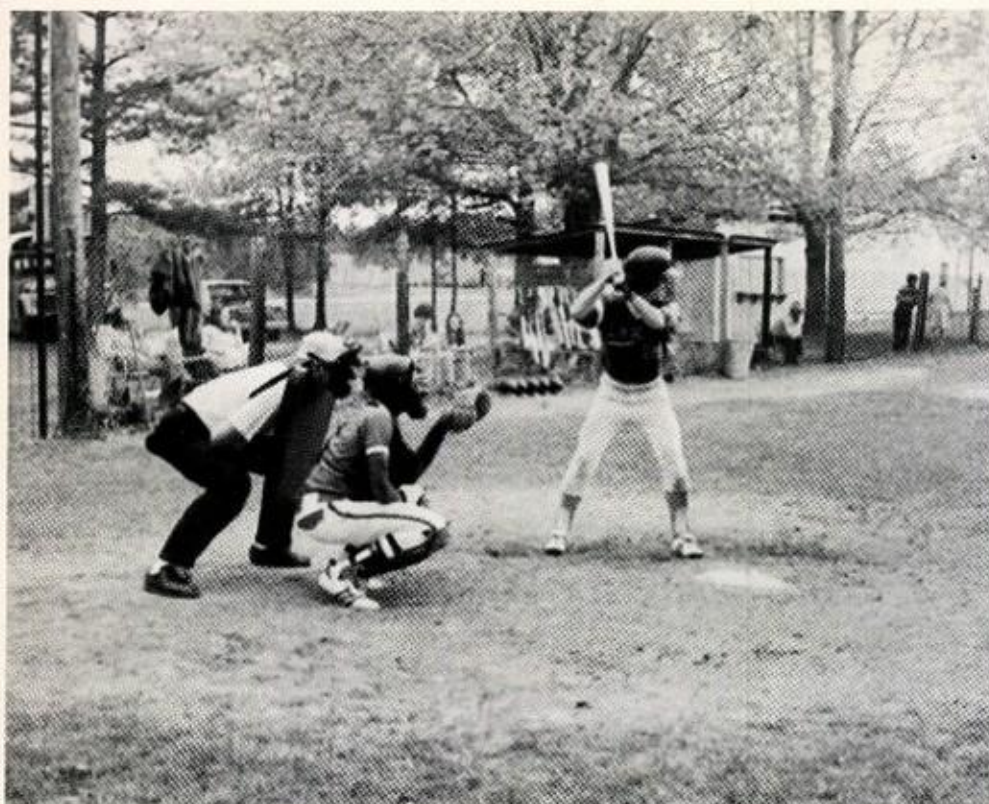

Leaving the others behind, Regina Barnes lays up two more points.

Guard, Wanda Hargraves, goes up to block a shot.

Rising above the rest, Tony Carter aims for the basket.

Batter up!

Safe at home in a cloud of dust.

And here's the pitch . . .

It's a hit!

Let's Go to the CARNIVAL

The Junior class sponsored a carnival this year to raise money for the Junior-Senior Banquet. It was a huge success that the whole school enjoyed. There were various types of entertainment including a dunking booth (top picture), bingo, a flea market, a haunted house (bottom left) basketball shoot, a fortune teller (bottom right), and other chance games. There was also a pageant where David Wood was crowned the first Junior Fair Queen.

The Juniors would like to thank Mrs. Hall, Miss Littleton, Mrs. Armour and all the many others that helped. Approximately \$1200 was raised.

The past nine months that I've spent as editor of the Dragon Annual has been one of the most rewarding experiences in my year in school. I've thoroughly enjoyed the job of editor and the chance it gave me to work with so many people — classmates and teachers alike.

The whole staff has cooperated with me in trying to present the 1979 yearbook in a slightly different manner. Trying to present the annual a little different has made for us a sometimes difficult, but always enjoyable responsibility. I would like to thank all of the annual staff for helping me to such an extent. I couldn't have done it without them.

We've tried to put our best into our Dragon Annual, but unfortunately we know it's not perfect. Also, I personally hope that each of you will enjoy it as much as we have in putting it together!

Sincerely yours,

Wanda New

FREE Air Conditioning Survey of Your Home

Just pick up the phone and give us a call and we'll do the rest.

We'll send a trained air conditioning specialist to your home. He'll make a thorough survey, plan a system that precisely fits your needs, give you a price and delivery date.

All with absolutely no obligation.

A free survey is just one of the many extras you get when you air condition your home the Trane way . . . the professional way!

Why don't you pick up that phone right now?
